LINE OF KANSAS STEAMERS TO ALTON.

According to previous notice, a meeting of the citizens of the city of Alton en masse was held at Library Room, Friday evening, the 11th of April, when Hon. J. D. Baker was called to the chair, and H. G. McPike was elected Secretary. The Chair laid before meeting the fact

that a committee, consisting of Messrs. G. P. Lowry, G. W. Brown, G. W. Hutchinson, James Blood and Ephraim Nute, jr., representing the business men of Kansas, had arrived in our city to ntake arrangements in regard to the establishing of a line of steamers, direct from the city of Alton, Ill., to Kansas, for the purpose of transporting goods and passengers direct through, without being subjected to violence, maltreatment or unlawful search, asking the co-operation of our citizens in behalf of the above enterprise. The feasibility and importance of the subject was set forth in a lu-

cid and forcible manner by the Chair E. Keating, Esq., presented and read the following resolutions, which were unanimously adopted, to wit:

Resolved, by the citizens of Alton in public meeting assembled, 1st, That we will support, and aid in defending from violation or perversion, the Constitution of the United States, with the amendments to the same, including articles two (2) and four (4) of said amendments, oessary to the security of a Free State, the right of the people to keep and bear arms shall not be infringed."
